Genesis Blacklist terms

THE PEOPLE'S PROTEA / THE FIRST 100

The Genesis Blacklist is the free purchase-invitation list for The People's Register's first edition of 100 numbered T-shirts. Joining puts your confirmed entry into the draw. Payment is due only if you receive an invitation and choose to buy.

One place in the draw

Give your first or preferred name, enter once per person and confirm your email by Sunday 20 December 2026 at 23:59 South African time (SAST). Time of entry, referrals and newsletter subscriptions do not change your chance of selection. Multiple entries from one person count once. You can withdraw using the link in your confirmation email.

Your optional price vote

Once confirmed, you can vote for R800, R1,400 or R2,000. You can also say "I could support this at R650" as affordability feedback, or skip. Delivery is priced separately. You may change or remove your vote until Sunday 13 December 2026 at 23:59 SAST. On Tuesday 15 December we publish the totals and one shirt price for everyone, including any applicable tax. The vote helps us set that price. Your answer has no effect on your entry, draw position or decision to buy.

How invitations work

After the list closes, we randomly order the eligible entries once. The first 100 receive a personal invitation. If there are 100 or fewer entries, we invite everyone who qualifies. The remaining entries form a reserve list in the same random order. Each invitation gives one person the opportunity to buy one shirt.

Your email gives the exact payment deadline and a link to decline. If you decline, withdraw or let the invitation expire, the place becomes available to the next eligible person in reserve order at the next invitation round. We issue reserve invitations only against open places. Any unclaimed final-round places expire when the sale closes on Saturday 26 December at 23:59 SAST.

Invitation	Opens in December 2026	Payment deadline, SAST

Your order

Your personal link shows the available sizes, the shirt price published on 15 December and the delivery services available for your address. Choose your size and delivery option, review the total including the delivery charge and applicable taxes, and correct any details before authorising payment. The size guide and current availability appear before payment.

A confirmed successful payment through the checkout secures the order. Keep the confirmation and order number. If you see a debit without an order confirmation, contact us using the order support details before paying again. We reconcile duplicate or unmatched payments and refund any overpayment.

Delivery by Friday 15 January 2027

All delivery options offered at checkout will complete delivery within 14 South African business days after the 26 December payment cut-off. Monday 28 December is day one. Friday 15 January is day 14. For a collection-point service, fulfilment means the parcel is ready at the point you chose and you have received the collection instructions.

Please check the recipient's details before paying. Use the contact on your order confirmation promptly if they change. We handle courier queries and remain responsible for the parcel through delivery to the agreed destination. If a supplied address or failed handover needs correction, we will contact you and agree any new charge before redelivery.

If we cannot deliver by the promised date, we will contact you and offer either an agreed revised date or cancellation for a full refund. If the goods become unavailable, we will notify you immediately and refund all payments within 30 days of that notification.

Cooling off and defects

For this standard numbered shirt bought online, you may cancel without giving a reason within seven calendar days after receipt. Use the support contact in your order confirmation. We will refund the full payment within 30 days of cancellation. The direct cost of returning an unwanted shirt is the only charge you may have to pay.

If the wrong shirt arrives, contact us for a correction at our cost. If the shirt fails the statutory quality standards within six months of delivery, you may return it at our risk and expense and direct us to repair, replace or refund it as provided by law. We will discuss availability if you request a replacement from the limited run. Your statutory rights continue to apply.
